CLASS	DESCRIPTION
RAD Ballet	Two RAD ballet classes are required per week to establish a strong ballet base which is the root of all other dance genres.
Jazz	This fun elective builds confidence while developing basic jazz movement vocabulary.
Hip Hop	This elective introduces street style of dance including a wide range of styles including popping, breaking, & locking.
COMPETITIVE PROGRAM	
Ballet Company	This class focuses on advanced ballet technique, 1-5 levels above their current RAD level. Flexibility and strength is a focus, with new styles and performance qualities added in choreography.
Modern Company	This elective explores movement in challenging way and pairs perfectly with a strong ballet background. Modern training is an incredibly valuable elective and follows current contemporary dance trends.
Contemporary Company	Deeply rooted in modern, this elective blends all types of dance together, following trends in current contemporary dance.
Jazz Company	This is a high energy class focusing on the development of more advanced jazz technique and combinations using fast paced combos and different styles.
Lyrical Company	Based on jazz technique, with a strong connection to emotion and storytelling, matching the lyrics of the songs.
Stage Company	The class combines dancing with acting, focusing on strong use of expressions, theatrical movements, and confident stage presence.
Hip Hop Crew	This class focuses on developing advanced hip hop styles and movements with a strong focus on timing and synchronization.

Group Choreography Disclosure

We hope all classes above will have group choreography, however this is dependent on Covid-19 guidelines and we will evaluate throughout the season on how to approach choreography.
