<b>CLASS</b>	<b>DESCRIPTION</b>
<b>RAD Ballet</b>	Two hours of RAD ballet are required per week to establish a strong ballet base which is the root of all other dance genres.
<b>Senior Ballet Tech</b>	Open ballet class with no choreography.
<b>Pointe &amp; Variation</b>	Strong emphasis on pointe technique while adding in some work on classical variations. Typically this class would participate in our Nutcracker production.
<b>COMPETITIVE PROGRAM</b>	
<b>Ballet Company</b>	This class focuses on advanced ballet technique. Flexibility and strength is a focus, with new styles and performance qualities added in choreography.
<b>Modern Company</b>	This elective explores movement in challenging way and pairs perfectly with a strong ballet background. Modern training is an incredibly valuable elective and follows current contemporary dance trends.
<b>Contemporary Company</b>	Deeply rooted in modern, this elective blends all types of dance together, following trends in current contemporary dance.
<b>Jazz Company</b>	This is a high energy class focusing on the development of more advanced jazz technique and combinations using fast paced combos and different styles.
<b>Lyrical Company</b>	Based on jazz technique, with a strong connection to emotion and storytelling, matching the lyrics of the songs.
<b>Stage Company</b>	The class combines dancing with acting, focusing on strong use of expressions, theatrical movements, and confident stage presence.
<b>Hip Hop Crew</b>	This class focuses on developing advanced hip hop styles and movements with a strong focus on timing and synchronization.

### **Group Choreography Disclosure**

We hope all classes above will have group choreography, however this is dependent on Covid-19 guidelines and we will evaluate throughout the season on how to approach choreography.
